

What to Bring to Camp

What to Bring?: Sleeping bag, pillow, towels, Pleasant Hill Lake swimwear, Bible, pencils, tooth brush, tooth paste, soap, shampoo, etc., flashlight, bug spray, backpack / hiking bag, water bottle, money for the canteen/snack bar, shoes, & clothing for the week *Please bring clothing that is modest in nature* [nothing too tight, too short, too low cut.]

We ask all campers to bring a prewashed White T-Shirt for Arts and Crafts.

Obvious What NOT to Bring: Alcohol, Drugs and Tobacco

Other Things NOT to Bring: Cellular phones, MP3 players & Ipods

If any of these items are brought, campers will have an opportunity to turn them in on Sunday evening. After that time, all of these items will be confiscated. The camp has a phone and it is primarily used for emergencies. Some staff members will have their cell phones if a special need arises. We feel strongly that your child or children will benefit from fewer distractions. They certainly can use a break from all the phone calls, text messages and other media. We appreciate your cooperation in this matter.
